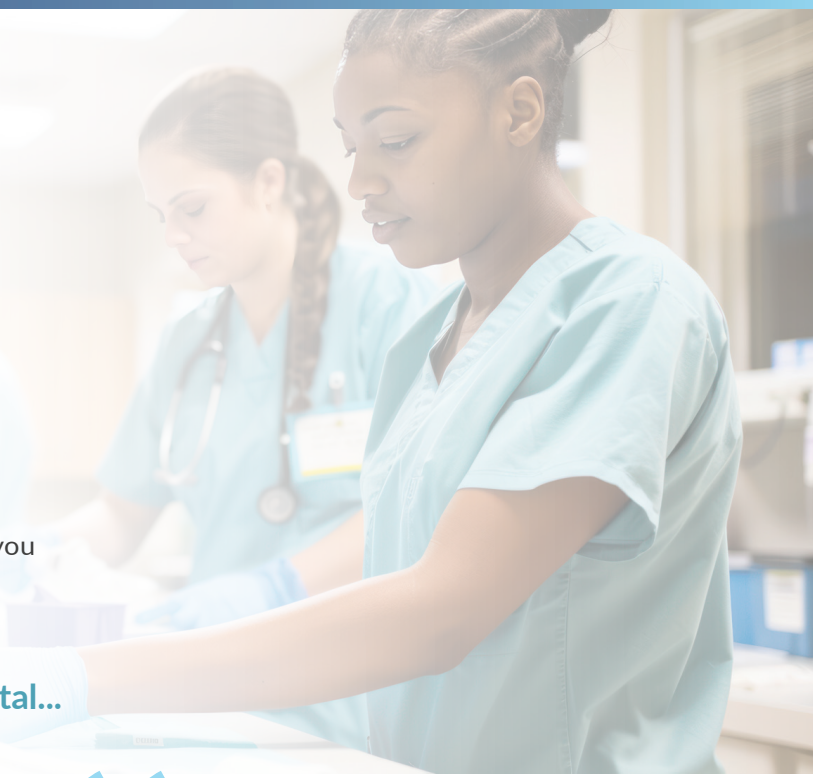
SURGICAL SOLUTIONS

OUR SERVICES

Sterile Processing Leadership



Let **Surgical Solutions** provide the **expert SPD leadership** you need to elevate your Sterile Processing Department to the highest standards of care, compliance and efficiency.

Our team integrates seamlessly with your hospital...

What We Do

We deliver best-in-class sterilization and support while taking the burden of SPD management off your shoulders. Our Sterile Processing Leadership services ensure your facility is always operating at peak performance.

> *"Surgical Solutions staff are well trained in setting up scopes and in troubleshooting as the needs arise before and during procedures."*
>
> - Head Nurse
> Bellevue Hospital

Best Practices Implementation

Industry-leading standards are brought to your SPD, **optimizing workflows and ensuring compliance** with the latest regulations.

Joint Commission and DNV Survey Management:

Every detail of the survey process is managed, **ensuring full compliance and readiness**, so you can focus on patient care.

Training & Credentialing

Ongoing training and credentialing are provided for staff, ensuring they stay **up-to-date on the latest techniques, standards and certifications**.

Vendor Management

These relationships are developed **to secure the best products and services**, all while staying within budget.

Capital Equipment & Planning

Collaboration with your team ensures **effective planning, procurement and maintenance of essential equipment** to support SPD efficiency and safety.

Recruitment

Leadership actively recruits top-notch talent to ensure your SPD is staffed with **skilled professionals dedicated to excellence**
